

3. Provide a concise description of each of your current projects.

4. Please describe your core capability as an organization. Your core capability is what you are best at doing and how you stand out as an organization.

5. Briefly describe your organizational achievements and accomplishments within the past two years as well as any recent organizational accomplishments.

3. Briefly state the top three examples of human gain your participants have achieved. Indicate how the lives and conditions of your participants tangibly changed.

Request Information

1. Please identify which of the Children and Family Legacy Fund outcomes your funding request/programming intends to address. You must select at least one outcome but not more than three.

- Homeless families achieve stability and transition to permanent housing with the assistance of support services.
- Vulnerable families who are living in permanent housing and participating in resident services improve their personal and financial stability.
- Low-income families at risk of losing their homes maintain their rental housing and improve their personal and financial stability.
- Foster children grow up in permanent, stable, loving families.
- Foster youth have the life skills required to live independently, have a connection to a caring adult and are living in stable housing.
- Preschool children in low-income communities are prepared to be successful in school.
- Children and youth in low-income communities demonstrate improved academic success.
- Young people from low-income communities enter college or career training programs.

2. State the project fiscal year beginning month/day/ year and ending month/day/year.

to

3. State whether this request is for project support or general operating support. As specified in the RFP guidelines your organization's has been designated to request funding for specific programming, which was provided to your organization.

- Project Support
- General Operating Support

4. Please state the purpose of this funding request in 1-2 sentences.

5. Briefly describe your project or programming--what you will actually do or offer to help your participants achieve the targets you set. Include the method or approach you will use and include the inaugural date of your project. Targets are the number of children and/or families you are committed to help achieve a specific level of gain. Refer to the Summary Chart for further explanation of targets. The Summary Chart is accessible at www.childrenfamilylegacy.org.

6. Briefly describe in terms of intensity and duration what will be required to achieve the desired results. Note that this information may help to justify costs if that high intensity or long term strategies is critical to success.

7. Please provide a brief profile of the person who has the direct responsibility for meeting your targets. Please indicate how many years the person has been in this position and their relevant qualification(s) to serve in this capacity.

8. Please briefly describe the key staff for the project and what roles they play, as well as the factors that most predict their success. Additionally please indicate how many years staff have been in their respective positions and their qualifications to serve in their capacities.

9. Please describe any key collaborators or community supporters for your project, including their roles and the strategy for managing your effort across multiple partners. You will be asked to include any letters of agreement from your supporters or partners in the attachment section of your application.

10. Please list your organization's financial successes and challenges during the most recent fiscal year. Also, describe how these challenges have or will affect your ability to reach the targets or objectives you've established in the Summary Chart. Note the Summary Chart is accessible at www.childrenfamilylegacy.org.

11. Please describe any financial obstacles that might challenge your ability to effectively deliver services/programming during the next 12 months.
